

4-H CONTESTS AND STILL LIFE PROJECTS DEPARTMENTS 1-27

General Contest Rules:

- Most of the 4-H Contests are also described and explained in the State 4-H Premium Book. Contests at the county level are written to be compatible with state level competition.
- When we have enrollment, we have designated Superintendents who have the duty to prepare and to conduct respective contests.
- Contests without enrollment are shown for information and encouragement so that you may plan to participate in the future.
- Please see the State Fair 4-H Premium Book for details on the differences of eligibility for all age divisions to participate.
- All Still Life exhibits (for example; Officer's Books, Educational Posters and Project Photos) need an Entry Tag that must be securely attached. Enter the exhibit, with your Leader's help, through the Extension Staff in the Marie Boe 4-H Building at the Fairgrounds.
